President, Union Leader Corp.

Dear Mr. Loeb,

It was thoughtful of you to forward to Mr. Colby the exchange of correspondence included with your letter of February 21.

It was good of you to take the time to tell us that the letter in the 15 February *Editor and Publisher* was, as you put it, "excellent". In that the full text of Mr. Colby's statement to a House Committee might not have come to your attention, I am enclosing it with this letter.

Sincerely,

Angus MacLean Thuermer
Assistant to the Director
